Installation Kits

Provide convenient, flexible installation options

Embassy offers kits for installing Hideavector3 units in locations other than the kickspace under a cabinet. Each kit comes with all the hardware needed to install the kickspace heater.

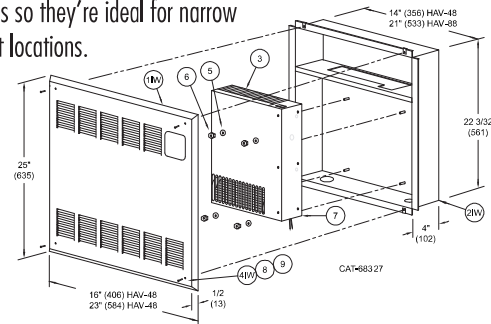

Recessed models finished in Cameo White with beveled edges.

	Model #	Part #	Trade Price
Recessed Wall Kit	HAV-48	55HAV-IW-48-3	\$129.28
Recessed Wall Kit	HAV-88	55HAV-IW-88-3	\$141.23

Hideavector3 Recessed Wall kits fit into wall recesses so they're ideal for narrow hallways, mud rooms, laundry areas, and other tight locations.

The HAV-48-3 Model fits in between standard 16" center studs.

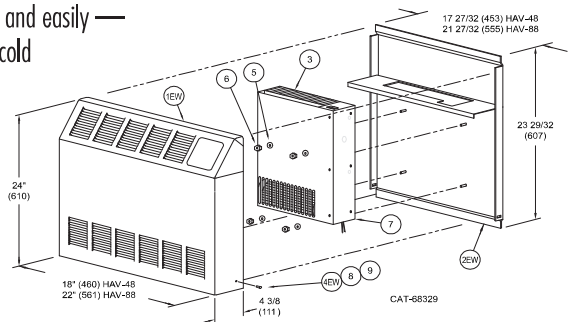

- Galvanized steel inner cabinet
- Cameo White baked enamel finish
- Color coordinated screw covers and beveled edges for neat appearance

Where glassed-in walls or sliders leave little room for heating units, Hideavector3 Floor kits install easily between standard floor joists. The grille provides a choice of forward or rear directional air flow and easy accessibility for routine maintenance.

- Heavy 16 gauge steel grill can be rotated for front or rear discharge
- Protective screen under grill
- Cameo white baked enamel finished grille

Through the Floor Kit features "heel proof" grille in cameo white.
